Miles H Jernigan is appointed guardian to R_ny and Maliki Hollomon orphans of Jacob Hollomon. Sally Hollomon petitions the ct for her years provision to be taken out of her deced. husband's estate.

Note from James Hollomon: Under Aug 1833, That name that could not be read should be Rena. I believe that is short for Marina. Jacob and Millie (Millicent) his wife (who died Nov 1849) lived next farm to John and Marina. They had three children, the two girls were always referred to by nicknames, Rena, sometimes Reny and Sindy. The son was Malechi The children were probably born between 1810 and 20. Sally that is mentioned in this same grouping was the widow of Jason who died ca 1832. Believe this Sally was also a widow of Samuel who had children Jacob and William
