Mrs. Charlene McGee Stough, P.O. Box 176.
Kennedy, Alabama, 35574.

Dear Mrs. Stough:

Your name and address was supplied to me by Mrs. Ruby Sullivan.

I am working on a manuscript covering the various Holliman families of Fayette County. I have already received a fairly accurate history of the Warren Holliman family, Elijah A. Holliman family, and the Joshua C. Holliman family, all of whom came from Fayette County, to Arkansas, Oklahoma and Texas. In order to start, the families of Cornelius Holliman, Warren H. Holliman and Charles Holliman came to Fayette County, Alabama, in 1836 from Anson County, North Carolina. They were accompanied to Fayette by Willis Holliman and John Holliman, both of whom went on to Choctaw and Carroll Counties, Mississippi. Warren H. Holliman moved on to what later became Grant County Arkansas, in 1840. Cornelius Holliman had sons Elijah A., Joshua C., and Uriah H. Holliman. The last named was my great grandfather. He died in the Confederate Army, and his widow Mary "Polly" Lucash Holliman reared their thirteen children in North Fayette County. Elijah A. Holliman died in Texas. Dr. Joshua C. Holliman left Fayette County in 1867 for Grant County, Arkansas. Cornelius Holliman and Charles Holliman remained in Fayette County, Cornelius died in 1862 near Bluff, and Charles died around 1842 at or near Newtonville. Charles and wife Barbary Holliman had the following children:

1. Asa, born 1820, died near Duck Hill Miss., after Civil War.
2. Joshua, born in N.C. No other data.
3. John, born in N.C. Said to have died in Civil War in service.
4. Milly Elizabeth Holliman, born in N.C. in 1825. No other data.
5. Peter Holliman born in Anson County N.C. 5-18-1829. Died 12-18-1878 at Brownsboro, Texas.
6. Susanne Holliman born in Anson Co. N.C. 1829. Never married. Died in Fayette County, Ala.
7. James Jesse Holliman, born 1830 in N.C. Died in Fayette County, 1853.
8. Warren C. Holliman, born in Anson County 2-7-1833, married (1) Mary Polly Blakeney, daughter of Thomas B., at Newtonville.
9. Cornelius Holliman, born 1835, died at Petersburg in Confed. Army. Father of "Crippled John" Holliman
10. Elijah Holliman, born 7-12-1839 in Fayette Co. Died 5-11-1939. Confed. Vet. Bur. Springhill Cem. near Millport.
11. Aaron Holliman born 1840 in Fayette Co. Said to have died in Arkansas.

I have a fairly good record on each of these children.

The children of Warren C. Holliman and Mary Blakeney Holliman were:

1. John, sometimes called "Black John" to distinguish him from "Nico John" (My grandfather), and "Crippled John". He married Rebecca Holliman, a cousin, the daughter of Uriah H. Holliman, and moved to Ardmore, Okla.
2. Francis Marion Holliman, married Nancy J. Henderson on January 25, 1885 in Fayette County. No further record.
3. Sidney Warren Holliman, married Columbia A. Sanders, bur. Chapel Hill Cem.
4. James W. died 1920, married 3 times, 1st to S.E. Richardson, later married Jenny Howard, and still later married Gurline Clanton. Children by all three. All buried at Chapel Hills Cem.
5. Moses Jefferson Holliman, married Eliz Wilson, dau. of Joel W. A son Felix resides at Millport.

6. Sarah Holliman, married her distant cousin, William Perry Holliman, son of Uriah H., and moved to Rockdale, Milam County, Texas.
7. Elizabeth, also called Barbara. Married J.E. Abernathy, in Fayette County.
8. Kizzie, married James Taylor Wilson in Fayette County.

I have fairly accurate data on each of these families, except the families of Francis Marion Holliman and Elizabeth Holliman ~~Wilson~~ Abernathy.

After the death of his wife Mary "Polly" Blakeney, Warren E. Holliman married Louiza Howard. I have heard that he married a third time, but I do not have any data on a third marriage.

I would like to know if you have any information on the family of either of these persons. I am informed that 'the Richardson sisters, at Kennedy, have a lot of information on the descendants of Charles Holliman'. They are evidently related to the 1st wife of James W. Holliman. I do not have any further information on how to contact them.

For your information, I was at Fayette a week ago, and delivered to Mrs. Evelyn Walker Robertson a copy of my manuscript on the family of Samuel Taylor Walker, my great grandfather. One of his sons was Andrew Walker, who lived and died at Kennedy.

I will appreciate hearing from you, at your convenience, as to any data you care to furnish, and I thank you for same.

Sincerely,

C.R. Holliman,

P.S.

For your information, I was reared at Fayette. My Father was James M. Holliman, who practiced law there for many years. I retired in 1963 after 50 years law practice here. CRH

Dear Bishop:

I am making fair progress toward completion of a notebook on the family and descendants of Samuel Taylor Walker, and need some statistical information on you and your family for inclusion therein.

I need to know the following: Date of your birth, your employment title, full name of your wife and her father and mother. Date of your marriage. Full names of your children, dates of birth etc. Names of colleges or universities which you or your family are attending. Degrees granted and when. Date of birth of your wife.

I have already obtained this same information from most of your brothers and sisters.

The note book I am preparing will contain approximately 100 pages, when I complete it, and I will then go over to Fayette and talk with Evelyn Walker Robertson about publishing it.

Hope that you will help me out on getting this material.

Both Ruby and I are sort of crippled up, but we are still kicking, but not very high. We will stay at home this Xmas, as we plan to go up to V.P.I. where Rhodes teaches in May, as one of his boys will graduate. One boy is at St. Louis in Washington Medical School and the other has been admitted to Virginia Commonwealth Medical School at Richmond, so maybe after while we will get our pills free.

Regards and best wishes to you and your family.

Sincerely,

Dear Jim:

It has been quiet awhile since we have heard from you. Hope all of you are fine. Since last writing you Eck has been through lots. He has suffered of neuritis lots, also had disturbed heart condition plus very high blood pressure. We go to the Dr. office at regular intervals. Last night Dr. gave us a good report as to great improvement. For awhile we both were more discouraged than we had been even though he was allowed to continue his office work. He still spends from 12 to 13 hours of the 24 in bed. Remains very quiet on Sunday and is allowed no exercise. We have not been home

in a long time but are venturing Saturday P.M. and coming back Monday A.M. gives Eck one day to rest. Eck is really looking better and I feel that Spring will bring him a complete recovery.

During all this we have taken the duty of paying for a home at rent rates and 8% on remainder. we are very pleased with the change because of the convenience. I have no help since Dr. bills continued heavy. I even build all fires, bring coal, cut kindling etc so am very proud of myself.

are you all planning a big mas. We expect to enjoy it as I will be at home.

We heard from Fayette not long ago. all seemed well. Am glad it is so

Leland can drop by now. We are sorry not to do our usual for their Xmas but are sending them \$ 5.00 to day. This time we cut all presents and cards for economy but if Eck is really better we don't mind and we both think he is.

How is Wynuss & family? I believe Mrs. Holliman wrote that Leland was boarding at Wynusses. Seems to us you three brothers would get together and come over some week end and relieve the quietness for Eck as he stays in. Nothing would please us more. You could call Eck at the office or write a note. We do not have a phone any more. I am serious & hope you come.

Let us hear from you.
To you and each of your family we wish a Merry Xmas. From De Laney
