Mr. Wm. Gardner on B. Martin to the effect of the bill of \$136.11 1/2

North Carolina

In Chancery

Respectable Susan of True Main one of the defendants to
the bill of Complainant & James Garrison.

Meis defendant having and reserving to himself now and at all
times, ^{all benefit & advantage by exception &} ~~the~~ the manifest error and circumstances in the Complain-
-ant's bill of Complainant, or to so much thereof as he is advised is material
for him to make answer unto, answering saith, that he has no interest
in the administration of ~~the~~ estate mentioned in the Complainant's bill
of Complainant, nor has he any knowledge of the doings and things done
of the Complainant or the said Samuel D Alexander. This defendant
in further answering says it is true, that S D Alexander was seized
of the land mentioned in Complainant's bill, and that being indebted
to this defendant in a large sum of money, he secured the payment thereof
to this defendant and by Mortgage of the said land, that he afterwards
brought suit and recovered a judgment at Law for the said debt, & order
Execution issuing therein amounting to about three hundred and ten Dollars
and 75 Cts. Defendant admits he got said land at Sheriff's sale for one hundred
Dollars, and that he agreed to the said S D Alexander to release his interest on the
purchase, so soon as he was secured in his debt 75 Cts. & 75 Cts. Defendant
hasaid to Alexander before the sale, that he would bid the land as high as
two hundred Dollars but denies he was to purchase at all events. deft.

31-2-36

he said to Alexander before the sale, that he would see me ...
 for hundred Dollars, but denies he was to purchase at all events. Deft.
 further states that as Mr. McHenry did propose to take the land at Eleven hundred and fifty
 provided he was allowed about four hundred Dollars due to himself. Jones said Alexander
 but in consequence of the filing this bill of Complaint he has refused to do any thing more
 to do in the matter. Deft admits he holds the note described in Complainant's bill
 sent him by the said Alexander amounting to about one hundred forty three Dollars
 \$143 but which note has not been presented for payment by this defendant. And
 defendant further states that since the money was paid upon said debt against the
 said James D. Alexander has been put into his hands to receive the payment of
 out of these lands amounting nearly to fifty Dollars which with his own debt
 he prays may be decreed to be paid ~~into~~ out of the sale of the said lands, which
 he prays may be ordered by this Court. he also prays the Cost, he has been put
 to for his defence in this case be paid.
