Walt,

Here's the Hawkins's deeds that you wanted. I went back to the Court House the day after I spoke to you. I could not find in my copies the Isaac Hawkins deed you talked about. Apparently I missed it. I also made a copy of the "Hawkins" index to check my copies against. Apparently, I missed two other deeds - I put you a note on the index. I also put a note about deed book "D". Several years ago the Clerk had many of ~~her~~ her deed books photocopied into smaller volumes. The company that did this skipped some of the pages in this book. Right now I can't get to the original deed book. I will try to get these copies from another source.

I hope that these will be useful to you.

Sincerely,

Mike
