INTRODUCTION

Mecklenburg County was created in 1762 from the western part of Anson County. The northern boundary of Mecklenburg coincided with the unsurveyed southern boundary of Lord Granville's proprietary, while the unsurveyed southern boundary of Mecklenburg was in the southern part of present-day South Carolina counties of Union and Chester. Lord Granville died in 1763 and his land office closed. With the end of the French and Indian War at about the same time, it is not surprising therefore to find a land rush happening soon afterward in the new county of Mecklenburg which was outside the Granville proprietary. Undaunted by the closing of Granville's land office, many settlers in present-day Catawba, Burke, and perhaps even McDowell Counties attempted to, and indeed did in some cases, obtain Crown grants for land in the Granville proprietary, claiming the land as being in Mecklenburg County. However, most Mecklenburg County grants through 1768 lie in present-day Cleveland, Gaston, Lincoln, Mecklenburg, Polk, Rutherford, and Union Counties in North Carolina and in present-day Cherokee, Chester, Lancaster, Spartanburg, Union, and York Counties in South Carolina.

In November 1768 that part of Mecklenburg lying west of the Catawba River was erected into the new county of Tryon. This volume is a guide to the surveys and grants issued within Mecklenburg County from 1763 through 1768. The original documents on which this volume is based are currently housed in the North Carolina Land Grant Office but will be moved to the North Carolina Archives. Not all surveys have survived, and one must consult the transcriptions of the surveys in the North Carolina land grant books currently in the Land Grant Office to obtain a description of a tract if the original survey cannot be found.

Many years ago part of the land grant books were copied. When an index and file system for loose surveys and warrants was later created, the duplicate books were included, resulting in duplicate files and multiple references for some grants. This volume lists both file numbers, matched after a tedious review of the land grant books and files. For each file and its duplicate (when there is one) this index lists the name of the original owner, the grant year, the names of the chainbearers at the original survey, and the watershed where the tract was located. If no entry is shown in the chainbearer columns, then the original survey was not found.

Following the master listing of grants in this volume, there is a cross-index to original owners, chainbearers, and streams. It is frequently useful to know the identity of other original land owners on a stream where an individual owned land. Likewise, the chainbearers may provide clues to the identity of persons with whom an individual was in common association.

There is wide variation in spellings of names in the original records. Only in the case of stream names have I attempted for uniformity to use a corrected spelling. For personal names one should peruse all thinkable variants in the cross-index. Primary abbreviations I have used are "Cat. R." for Catawba River, "MBR" for Main Broad River, "FBR" for First Broad River, and "SBR" for Second Broad River.

The surveyors from 1763 through 1768 for Mecklenburg County were George Alexander, John McKnitt Alexander, Solomon Alston, Francis Beatey, Hugh Beatey, Zachariah Bullock, Joseph Dickson, William Dickson, Peter Johnston, William Sharp, and William Sims. Their work is to be admired, particularly considering the adverse conditions under which they must have worked.

APPENDIX

MECKLENBURG DECLARATION OF INDEPENDENCE MAY 20, 1775

1. That whosoever directly or indirectly abetted or in any way, form or manner countenanced the unchartered & dangerous invasion of our rights as claimed by G. Britain is an enemy to this County — to America & to the inherent & inalienable rights of man.

2. We the Citizens of Mecklenburg County do hereby desolve the political bands which have connected us to the Mother Country & hereby absolve ourselves from all allegiance to the British crown & abjure all political connection, contract or association with that nation who have wantonly trampled on our rights & liberties & inhumanely shed the innocent blood of American patriots at Lexington.

3. We do hereby declare ourselves a free and independent people — are & of right ought to be a sovereign & self-governing association, under the controul of no power other than that of our God & the general government of the congress, to the maintainence of which independence civil & religious we solemnly pledge to each other our mutual cooperation, our lives, our fortunes & our most sacred honor.

4. As we now acknowledge the existence & controul of no law or legal officers, civil or military, within this County, we do hereby ordain & adopt as a rule of life, all, each & every of our former laws —wherein nevertheless the crown of great Britain never can be considered as holding rights, privileges, immunities, or authority therein.

Blythe
"From the Hornets Nest"

5. It is also further decreed that all, each & every military officer in this County is hereby reinstated in his former command & authority, he acting conformably to these regulations. And that every member present of this delegation shall henceforth be a civil officer, viz. a Justice of the peace in the character of a 'Committee-man' to issue process, hear & determine all matters of controversy according to *sd.* adopted laws—to preserve peace, union & harmony in *sd.* County & to use every exertion to spread the love of country & fire of freedom throughout America untill a more general & organized government be established in this province. A selection from the members present shall constitute a Committee of public safety for *sd.* County.

6. That a copy of these resolutions be transmitted by express to the President of the Continental Congress assembled in Philadelphia, to be laid before that body.

The Mecklenburg Declaration of Independence has been printed in a number of different styles over the years; inscribed on a plaque placed on the wall of the Mecklenburg County Court House by the County Commissioners in 1937, and otherwise reproduced. The most unique of these reproductions was wrought by Harry Orr of Charlotte who secured a log from the McIntyre Farm House and built a desk top upon which he carved the entire text of the Declaration, inlaying each letter. The finished product was carefully polished and is an impressive reminder of the faith Mecklenburg citizens have in this important document. It may be seen in the Public Library of Charlotte.

MECKLENBURG RESOLVES

Charlotte Town, Mecklenburg County, May 31, 1775.

THIS day the Committee of this County met, and passed the following RESOLVES:

WHEREAS by an Address presented to his Majesty by both Houses of Parliament in February last, the American Colonies are declared to be in a state of actual Rebellion, we conceive that all Laws and Commissions confirmed by, or derived from the Authority of the King or Parliament, are annulled and vacated, and the former civil Constitution of these Colonies for the present wholly suspended. To provide in some Degree for the Exigencies of the County in the present alarming Period, we deem it proper and necessary to pass the following resolves, viz.

1. That all Commissions, civil and military, heretofore granted by the Crown, to be exercised in these Colonies, are null and void, and the Constitution of each particular Colony wholly suspended.

2. That the Provincial Congress of each Province, under the Direction of the Great Continental Congress, is invested with all legislative and executive Powers within their respective Provinces; and that no other Legislative or Executive does or can exist, at this Time, in any of these Colonies.

3. As all former Laws are now suspended in this Province, and the Congress have not yet provided others, we judge it necessary, for the better Preservation of good Order, to form certain Rules and Regulations for the internal Government of this County, until Laws shall be provided for us by the Congress.

4. That the Inhabitants of this County do meet on a certain Day appointed by this Committee, and having formed themselves into nine Companies, *to wit*, eight for the County and one for the Town of *Charlotte*, do choose a Colonel, and other military Officers, who shall hold and exercise their several Powers by Virtue of this Choice, and independent of *Great-Britain*, and former Constitution of this Province.

5. That for the better Preservation of the Peace, and Administration of Justice, each of these Companies do choose from their own Body two discreet Freeholders, who shall be impowered each by himself, and

singly, to decide and determine all Matters of Controversy arising within the said Company under the Sum of Twenty Shillings, and jointly and together all Controversies under the Sum of Forty Shillings, yet so as their Decisions may admit of Appeals to the Convention of the Select Men of the whole County; and also, that any one of these shall have power to examine, and commit to Confinement, Persons accused of Petit Larceny.

6. That those two Select Men, thus chosen, do, jointly and together, choose from the Body of their particular Company two Persons, properly qualified to serve as Constables, who may assist them in the execution of their Office.

7. That upon the Complaint of any Person to either of these Select Men, he do issue his Warrant, directed to the Constable, commanding him to bring the Aggressor before him or them to answer the said Complaint.

8. That these Eighteen Select Men, thus appointed, do meet every third *Tuesday* in *January, April, and October*, at the Court-House in *Charlotte* to hear and determine all Matters of Controversy for Sums exceeding Forty Shillings; also Appeals: And in Cases of Felony, to commit the Person or Persons convicted thereof to close Confinement, until the Provincial Congress shall provide and establish Laws and Modes of Proceeding in Such Cases.

9. That these Eighteen Select Men, thus convened, do choose a Clerk to record the Transactions of the said Convention; and that the said Clerk, upon the Application of any Person or Persons aggrieved, do issue his Warrant to one of the Constables, to summons and warn the said Offender to appear before the Convention at their next sitting, to answer the aforesaid Complaint.

10. That any Person making Complaint upon Oath to the Clerk, or any Member of the Convention, that he has Reason to suspect that any Person or Persons indebted to him in a Sum above Forty Shillings, do intend clandestinely to withdraw from the County without paying such Debt; the Clerk, or such Member, shall issue his Warrant to the Constable, commanding him to take the said Person or Persons into safe Custody, until the next sitting of the Convention.

11. That when a Debtor for a Sum below Forty Shillings shall abscond and leave the County, the Warrant granted as aforesaid shall extend to any Goods or Chattels of the said Debtor as may be found,

and such Goods or Chattels be seized and held in Custody by the Constable for the space of Thirty Days; in which Term if the Debtor fails to return and Discharge the Debt, the Constable shall return the Warrant to one of the Select Men of the Company where the Goods and Chattels were found, who shall issue Orders to the Constable to sell such a part of the said Goods as shall amount to the Sum due; that when the Debt exceeds Forty Shillings, the Return shall be made to the Convention, who shall issue the Orders for Sale.

12. That Receivers and Collectors of Quitrents, Public and County Taxes, do pay the same into the Hands of the Chairman of this Committee, to be by them disbursed as the public Exigencies may require. And that such Receivers and Collectors proceed no farther in their Office until they be approved of by, and have given to this Committee good and sufficient Security for a faithful return of such Monies when collected.

13. That the Committee be accountable to the County for the Application of all Monies received from such Officers.

14. That all these Officers hold their Commissions during the Pleasure of their respective Constituents.

15. That this Committee will sustain all Damages that may ever hereafter accrue to all or any of these Officers thus appointed, and thus acting, on Account of their Obedience and Conformity to these Resolves.

16. That whatever Person shall hereafter receive a Commission from the Crown, or attempt to exercise any such Commission heretofore received, shall be deemed an Enemy to his Country; and upon Information being made to the Captain of the Company where he resides the said Captain shall cause him to be apprehended, and conveyed before the two Select Men of the said Company, who, upon Proof of the Fact, shall commit him the said Offender into safe Custody, until the next sitting of the Convention, who shall deal with him as Prudence may direct.

17. That any Person refusing to yield Obedience to the above Resolves shall be deemed equally criminal, and liable to the same Punishments as the Offenders above last mentioned.

18. That these Resolves be in full Force and Virtue, until Instructions from the General Congress of this Province, regulating the Jurisprudence of this Province, shall provide otherwise, or the Legislative

Body of Great-Britain resign its unjust and arbitrary Pretensions with Respect to America.

19. That the several Militia Companies in this county do provide themselves with proper arms and accoutrements, and hold themselves in constant Readiness to execute the commands and Directions of the Provincial Congress, and of this committee.

20. That this committee do appoint Colonel Thomas Polk, and Doctor Joseph Kennedy, to purchase 300 lb. of Powder, 600 lb. of Lead, and 1000 Flints; and deposit the same in some safe place, hereafter to be appointed by the committee.

EPH. BREVARD, Clerk of the Committee.
Signed by Order of the Committee.

CHARLOTTE AND MECKLENBURG CEMETERIES

Many of the people whose names appear in this history no longer frequent the busy thoroughfares. Had they not lived, there would probably be no book, certainly not one of such dimensions. Grave-stones are constant reminders of the debts we owe for today's blessings. And, somewhere in each burial ground, rest those valiant guardsmen who gave their all for the preservation of justice, liberty, and freedom.

Prior to 1853, church yards and private graveyards throughout Mecklenburg County were the only spots used for burying the dead. In that year, the City of Charlotte established Elmwood Cemetery. All of the early churches mentioned in this history and many that followed had burial grounds nearby. For many of these old cemeteries, especially those apart from churches, there are no records available beyond a few weatherbeaten, hard to decipher stones. Such information as has been compiled for others was recorded many years after the cemeteries were begun, mostly for the use of genealogists. Records are available in the Public Library of Charlotte for graves in the Cemetery of the First Presbyterian Church of Charlotte (compiled by Miss Violet Alexander in 1936 and copied by Anne Gillylen Quarles (Mrs. J. Perrin Quarles); Steele Creek Cemetery (compiled by Mrs. Robert E. McDowell and published in pamphlet form by the church); Sharon and Paw Creek Cemeteries (compiled by the North Carolina Historical Records Survey).

PUBLICLY OWNED CEMETERY

The Old Settlers' Cemetery on Fifth Street (frequently referred to as the First Presbyterian Church) was the first burial ground in the City of Charlotte. Dates of establishment range from 1776 to 1884. Burials were discontinued during the War Between the States. It is interesting to note that a plot was used for the burial of

The first reported burial was in 1853. This cemetery has approximately 1000 burials. By 1947 all lots in Elmwood Cemetery were

Pinewood Cemetery, formerly on North Street, was started about the time the first recorded burial was in the Ninth Street Pinewood Cemetery. It was just off North Summit Avenue and was opened with the first burial in 1853. Further enlargement of the cemetery was made in 1897 for establishment of

On July 19, 1944, the City of Charlotte purchased 100 acres of land on Albemarle Street for establishment of Evergreen Cemetery. A memorial monument occupies a prominent position in the cemetery on a plot known as "Veteran's Cemetery" for the female, of all wars.

During 1956 the City of Charlotte purchased a cemetery, from Mrs. Adele Lyman, which she inherited from the founder. The area of about 47 acres, including the old cemetery, is located

CORPORATELY OWNED CEMETERY

In addition to publicly owned cemeteries there are several fine cemeteries owned by private corporations. The oldest of these is the Hebrew Benevolent Society Cemetery. The burial ground was in a sec-
