Dear Cousin:

I certainly enjoyed our conversation yesterday, and I'm enclosing a few things which we talked about. It is great to know there is really someone else descended from the Whittens...I knew they were out there somewhere.

If you need further information, or copies, of any of the information or sources, just let me know. Later on we can have a go at the Odells and all of their illustrious ancestors. Their ancestry is probably the best documented of any family I have studied, and Doliante's "Maryland and Virginia Colonials" is the source of much of it.

Again, nice to talk with you, and I hope to see you next time you visit your brother in Alabaster.

Best Wishes,

Joll
