p. 12a Surry County May the 30th 1782, The afore mentioned certificates were returned into the court of the said county in the months of March, April, and May which were severally allowed. The said court and ordered to be transmitted to the General Assembly.

Note after beginning this work, I was informed that many [illeg.] that the court were of opinion [?] be placed to State accounts the assembly would arrange in Continental account for [?] reason I left the column shiefly open, the date of each certificate being annexed to the entry will perhaps be a better guide than could be otherwise adopted. The dates will pint out what was taken in consequence of the different invasions of the enemy in this state and after the General Assembly has determined how for the Continent shall be subject to be debited it is then be exceeding easy to distinquish the different charges with property.
